

# Aaron Neville & Smokey Robinson, Being With You

I don't care what they think about me  
I don't care what they say  
I don't care what they think if you're leavin'  
I'm gonna beg you to stay  
I don't care if they start to avoid me  
And I don't care what they do  
I don't care about anything else  
But bein' with you, bein' with you  
Honey, don't go, don't leave this scene  
Be out of the picture and off of the screen  
Don't let them say, We told you so  
They tell me you love me and then let me go  
I've heard the warnin' voice from  
Friends and my relations  
They tell me all about your  
Heart-break reputation  
I don't care what they think about me  
And I don't care what they say, no  
I don't care what they think if you're leavin'  
I'm gonna beg you to stay  
I don't care if they start to avoid me  
I don't care what they do  
I don't care about anything else  
But bein' with you, bein' with you  
People can change they always do  
Haven't they noticed the changes in you  
Or can it be that like love I am blind?  
Do I want it so much 'til it's all in my mind?  
One thing I know for sure  
It's really, really, real  
I've never felt before  
The way you make me feel  
I don't care what they think about me  
And I don't care what they say  
I don't care what they think if you're leavin'  
I'm gonna beg you to stay  
I don't care if they start to avoid me  
I don't care what they do  
I don't care about anything else  
But bein' with you, bein' with you  
Bein' with you, bein' with you  
I don't care about anything else  
But bein' with you, bein' with you  
I wanna be with you  
I don't care about anything else
