

# Aaron Neville, Somewhere, Somebody

(Andrew Kastner, Larry McNally, Max Gronenthal)

Must be a million girls in this great big city  
I know that one of them is just right for me  
I've looked uptown, downtown, all around searchin'  
I know she's out there waiting for me  
Somewhere, somebody, lookin', longin'  
Somewhere, somebody, waitin' for me  
Somewhere, somebody, searchin', prayin'  
Tell me where in the world can this girl be  
You know street lights shine in those passin' faces  
I keep tryin' to catch somebody's eye  
But all the shoulda been's, the woulda been's, the mighta been's and the coulda been's  
Slippin' away and just walk right on by  
Somewhere, somebody, lookin', longin'  
Somewhere, somebody, waitin' for me  
Somewhere, somebody, searchin', prayin'  
Tell me where in the world can this girl be  
I walk in the rain that's fallin'  
Some voice in the distance callin', why  
I run to the empty doorway waitin' for the sun to shine  
When will love be mine  
Somewhere, somebody, searchin', prayin'  
Tell me where in the world  
Somewhere, somebody, searchin', prayin'  
Tell me where in the world  
Must be a million girls in this great big city  
I know you're out there waiting for me
