

Aaron Neville, What Did I Do (To Deserve This)

(james dean hicks, andy goldmark, jamie houston)

Unbelievable describes your smile so sweet
Inconceivable that you're a part of me
Innocent look in your eyes
Love without compromise for me
It's a mystery

What did I do to deserve you
Only god's hands could have made you
And brought this dream to life
Always swore that I , I would never fall
I guess miracles happen after all
What did I do to deserve you
Oh yeah

Unconventional, describes my love for you
Unconditional, cause there's nothing I won't do
I pray as this feeling grows
That you always touch the heart and soul of me

It's a mystery

What did I do to deserve you
Only god's hand could have made you
And brought this dream to life
Always swore that I , I would never fall
I guess miracles happen after all
What did I do to deserve you

I've waited all my life to hold such a treasure
What is this feeling worth, there is no measure
Tell me what can I do

What did I do to deserve you
Only god's hand could have made you
And brought this dream to life
Always swore that I'd , I would never fall
I guess miracles happen after all
What did I do to deserve you
To deserve you
