

# Aaron Pritchett, Let's Get Rowdy

We got the band's name on the marquee  
Big old boy checkin' ID  
Parking lots full of Harleys  
Farm trucks and SUVs  
A crowd of people spillin' in the door  
Shoulder to shoulder on the dance floor  
The drummer counts it off  
The bartender pours  
Let's get rowdy  
College girls to cowboys  
We came here to make noise  
Turn it on and turn it up, boys  
Let's get rowdy, let's get rowdy  
We got teenage girls sneakin' in the back  
Tattooed granny, she wants my hat  
But I know if I throw it  
I'm never gonna get it back  
Miss Alabama dancin' on the bar  
Some dude rockin' on an air guitar  
Good people who waited all week  
Just to party hard  
Let's get rowdy  
College girls to cowboys  
We came here to make noise  
Turn it on and turn it up, boys  
Let's get rowdy  
Everybody raise a longneck  
Come on and show your redneck  
Let me hear you say howdy  
(Howdy)  
Let's get rowdy  
College girls to cowboys  
We came here to make noise  
Turn it on and turn it up, boys  
Let's get rowdy  
Everybody raise a longneck  
Come on and show your redneck  
Let me hear you say howdy  
(Howdy)  
Let's get rowdy, let's get rowdy  
Wait for it, let's get rowdy  
And let's get crazy  
I wanna get nuts, na, na, let's get crazy  
Let's get rowdy  
Drive your mama crazy  
Do you want a padded room? Na, na, na  
Let's get rowdy  
Let's get, let's get, na, na, na  
Let's get rowdy
