## Aaron Pritchett, Something 'Bout A Train

We're all just sittin' around pickin' away All the boys in the band are itchin' to play So we're gonna write a song we kinda need a name So let's all this one ah Something 'bout a train

I wanna hear drums layin' down the beat Ah man damn that's sweet

I said something 'bout a train

Well now there we go now don't that sound good well ah if you can't play I bet you wish you could These guys wanna go around again So come on boys lets play something 'bout a train

Something 'bout a train
