

# Aaron Shust, Let The People Praisea

Our God is the God of gods  
Our Lord is the Lord of kings  
The revealer of secrets, of mysteries unknown  
Let the people praise our God  
His sovereign rule will last forever  
His kingdom won't decline or fall  
He does as He pleases both in Heaven and Earth  
Who am I that I should question Him at all?  
He lifts up kings and brings them low again  
He shows us what is right from wrong  
God of all time we give You thanks and praise  
For You have made us wise and You have made us strong  
Everything He does is right and all His ways are just  
Those who walk in pride He is able to humble
