

# Aaron Shust, Life Itself

Before the break of dawn  
My heart cries out to You  
Where I'm surrounded by my night  
Here all my weaknesses will wait upon Your mercy  
The hope of dawn from black to white  
From black to white  
I love You more than life itself  
Lord, You are so good to me  
I need You more with every breath  
So won't You breathe some life in me  
Won't You breathe some life in me  
Awakening the dawn, with all my heart  
I sing to You  
You are the reaSon that I live  
Under me, over, all around I know You're with me  
Never condemning: You forgive  
No matter where I go  
No matter where I stand  
Your Spirit always speaks to me  
And tells me whose I am  
With every breath I take  
And every choice I make  
My heart will always sing to You
