

# Aaron Sprinkle, A Step Ahead

Hold on a red line  
You're taking more than I'd like  
It's getting harder  
But it's so what I want to be

You're talking to a dead man  
You listen like a wet cat  
I'm too elated  
This is so what I want to be

Farther away but  
Feeling better than I've ever  
Wanted to say  
You'll never get a step ahead of me
