

Aaron Sprinkle, My Own Chapter

Should you think anything
You should know that I'm not doing ok
Since I've been gone all my problems
Have come back around and they're here to stay

I don't know how
Anyone could rescue me now

The story goes on and on
I'm always susceptible to think
That I could write my own chapter
I've noticed I cannot change a thing

(chorus)
I don't know how
Anyone could rescue me now
So please remind me again
How You'll always be my best friend
Show me who You are
Hurry, don't be far
I'll give You my heart

And I promise You
I will read into
All the ways You show Your love

(chorus)
