

# Aaron Tippin, I'm Leaving

As we passed in the hall  
She said we need to talk  
I can't go on like this another day  
I froze in my tracks  
And a chill ran up my back  
'Cause I knew what she was gonna say

She said there's someone else  
And I've kept it to myself  
But I can't keep these feelings locked inside  
I need to tell you this  
It's one of your old friends  
One you haven't talked to in a while

She said I'm leaving  
And there's nothing you can do  
I said I had a feeling you found somebody new  
And I'll bet I can guess his name  
But it's so hard to believe  
'Cause she said you're not even close

It's someone you don't know  
I'm leaving you for me

I just stood there at a loss for words  
Tryin' to catch my breath  
'Cause I knew that it was over when

She said I'm leaving  
And there's nothing you can do  
I said I had a feeling that you found somebody new  
And I'll bet I can guess his name  
But it's so hard to believe  
Oh she said you're not even close  
It's someone you don't know  
I'm leaving you for me

She said you're not even close  
It's someone you don't know  
I'm leaving you for me
