

# Aaron Tippin, Love Me Back

Baby, you and me underneath the steeple  
Two I do's and a half a dozen people  
I can see it all plain as day, come on baby, don't be afraid  
You can make a dream come true just like that  
All you gotta do is love me back  
All you gotta do is love me back  
And I'll hand you the world on a string  
I'll throw in the moon and the stars and for that  
I'll only ask one thing, love me back  
No baby, you might think I'm jumping to conclusions  
And to tell you the truth that's exactly what I'm doing  
I can't afford to waste no time, I've got forever on my mind  
You've already got my heart and that's a fact  
Now all you gotta do is love me back  
All you gotta do is love me back  
And I'll hand you the world on a string  
I'll throw in the moon and the stars and for that  
I'll only ask one thing, love me back, girl  
Fate's already set the wheels in motion  
(Just say the word)  
Just say the word and I'll show you everlasting true devotion  
Yeah, yeah, yeah, yeah  
All you gotta do is love me back  
And I'll hand you the world on a string  
I'll throw in the moon and the stars and for that  
I'll only ask one thing  
Baby, all you gotta do is love me back  
And I'll hand you the world on a string  
I'll throw in the moon and the stars and for that  
I'll only ask one thing, love me back  
(Love me back)  
Love me back  
(Love me back)  
Love me back, girl  
(Love me back)
