

Aaron Tveit, I'm Alive (Reprise)

I am more than memory
I am what might be, I am mystery
Come closer, come closer
I am old as time and forever young
I am every song that will stay unsung
I'll find you, remind you
Until you name me you can't tame me
This is one old game that I can play so well
I'm alive, I'm alive, I am so alive
The medicine failed and the doctors lie
I'm alive, I'm alive, I'm petrified
I'm alive, so alive
I'm alive, I'm alive, I'm alive
