

# Abandon Jalopy, Speed Bumps

Plastic pink birds in my front yard  
Big rig tires pushing up flowers  
Wheels are my foundation  
Gives a man freedom

Maserati move over  
I'm changing lanes

Slam the screen door on the trailer  
Slowing down for speed bumps in the park  
Everybody has their problems  
A swimming pool unifies us all

Make an effort to cash in on creation  
Just be sure to tell everyone about your destination

Call up your friend  
Dial 1-900

Maserati move over  
I'm changing lanes

Slam the screen door on the trailer  
Slowing down for speed bumps in the park  
Everybody has their problems  
A swimming pool unifies us all

Outside the house I see  
Abandon jalopy  
Dreams are rusting  
Trust only what I see  
Control all over me  
Buying all they're promoting

Slam the screen door on the trailer  
Slowing down for speed bumps in the park  
One day I'll trade in my Big Wheel  
And speed bumps won't bother me at all
