

# Abandoned Pools, L.V.B.D.

&quot;Welcome to the world  
My little virgin  
Babydoll  
Can you save me?  
Ill set you off  
With the tip of my tongue  
Spinning  
Never coming back

I wanna dig for gold  
Wear the crown of  
Forever lost souls

Ill be lost in  
Forever, forever  
Ill be lost in  
Forever, forever

Jill went up the hill  
And gave herself the will  
To kill her fear  
Now she's unstoppable  
Indestructable  
The incorruptible  
Forever lost soul

Ill be lost in  
Forever, forever  
Ill be lost in  
Forever, forever

Just a mercy kiss  
Born of emptiness  
I'm so sick of this  
And your fakin'...

I wanna dig for gold  
and wear a crown of  
Forever lost souls  
Ill be lost in  
Forever, forever  
Ill be lost in  
Forever, forever&quot;
