Abba, I've Been Waiting For You

I, I've been in love before
I thought I would no more
Manage to hit the ceiling
Still, strange as it seems to me
You brought it back to me
That old feeling

I, I don't know what you do You make me think that you Possibly could release me I think you'll be able to Make all my dreams come true And you ease me

You thrill me, you delight me
You please me, you excite me
You're something I'd been pleading for
I love you, I adore you
I lay my life before you
I'll have you want me more and more
And finally it seems my lonely days are through
I've been waiting for you

I, I'm gonna make you mine You're gonna feel so fine You'll never want to leave me I feel you belong to me Someday you will agree Please, believe me

You thrill me, you delight me
You please me, you excite me
You're something I'd been pleading for
I love you, I adore you
I lay my life before you
I'll have you want me more and more
And finally it seems my lonely days are through
I've been waiting for you
Oh, I've been waiting for you

Na na na, na na na, na-na na Na na na, na na na, na-na na Na na na, na na na, na-na na-naa

[repeat and fade]
