

# Abba, I Won't Let You Go

Some girls want to play with you  
Doing things that they really can't do  
They think that love is a game to play  
They oughta know that I get my way  
They look at you with starry eyes  
Very soon they all realize  
Play with fire and your fingers burn  
I wanna tell them, they never learn  
I won't let you go, no no no  
I'll never let go, oh baby you know  
There's a special kind of love  
There's something magic when we touch  
I won't let you go, no no no  
I'll never let go, I just couldn't hide  
All the love I feel inside  
I want you with me, by my side  
I never dreamed I would stay with you  
Just one look, and I knew you were true  
One more day and I woke up to find  
I couldn't think, you were on my mind  
I can't believe those other guys  
Hanging round with that look in their eyes  
They'll never know what I get from you  
I wanna tell them, I never do
