

Abba, Lovers (Live A Little Longer)

Sit down and listen 'cause I've got good news for you
It was in the papers today
Some physician had made a discovery
This' what she had to say:
(Oooh you know that)

She said that every result she had backed her
Claiming that love's a longevity factor

So lovers live a little longer, baby
You and me, we got a chance to live twice
Lovers live a little longer, ain't that nice
Lovers live a little longer, baby
What a feeling when I hold you tight
Lovers live a little longer, yeah

I can imagine, I'll see in my fantasy
I'll enjoy every day
Making love is a dynamite drug, baby
So why don't we start right away
(Ahh, please don't wait)

I don't care if they're watching 'cause listen
We've got a reason for each time we're kissing

'Cause lovers live a little longer, baby
You and me, we got a chance to live twice
Lovers live a little longer, ain't that nice
Lovers live a little longer, baby
What a feeling when I hold you tight
Lovers live a little longer, yeah

I just don't care if they're watching 'cause listen
We've got a reason for each time we're kissing

'Cause lovers live a little longer, baby
You and me, we got a chance to live twice
Lovers live a little longer, ain't that nice
Lovers live a little longer, baby
What a feeling when I hold you tight
Lovers live a little longer, yeah

Lovers live a little longer, baby
You and me, we got a chance to live twice
Lovers live a little longer, yeah
