Abba, Me, Bobby and Bobby's brother

Well there was me and Bobby and Bobby's brother

Please take me back to that place

Where I've got all my memories, those were my happiest days

I remember all the games we used to play

I really do

And I went to see them almost every day

I wanted to

Though we quarrelled at times

And had a few fights

We were the best of friends

We found a place in the sun

To have enough fun

Well there was me and Bobby and Bobby's brother

Wildest kids you could see

We would play together

Climbing the apple tree

Yes there was me and Bobby and Bobby's brother

Please take me back to that place

Where I've got all my memories, those were my happiest days

They would take me out for football games and such

They liked to play

And I guess I didn't like it very much

But anyway

I was happy and proud to be with the boys

Being a little girl

I found a place in the sun

A heaven of fun

Well there was me and Bobby and Bobby's brother

Wildest kids you could see

We would play together

Climbing the apple tree

Yes there was me and Bobby and Bobby's brother

Please take me back to that place

Where I've got all my memories, those were my happiest days

Well there was me and Bobby and Bobby's brother

Please take me back to that place

Where I've got all my memories, those were my happiest days

(Got all my memories, those were my happiest days)

Where I've got all my memories, those were my happiest days

(Got all my memories, those were my happiest days)

Where I've got all my memories, those were my happiest days

(Got all my memories, those were my happiest days)
