Abba, Rock 'n' Roll Band

Sitting in the darkest corner In the candle light I saw her face She was looking so sad and lonely Someone help me, someone save me I could see the look she gave me, oh Oh yeah, and there was one thing only That I knew I could do Let's go girl It's a beautiful place this world Come on baby, let's dance To the rock 'n' roll band Let's go now Let me show you that I know how Come on baby, let's dance To the rock 'n' roll band Come on baby, let's dance To the rock 'n' roll band You'd been sitting there for hours Trying to hide behind the flowers, now Baby, we could have fun together Come on, cheer up, let's get started No use being broken hearted, now Oh yeah, you're gonna feel much better Yes, I know that you will Let's go girl It's a beautiful place this world Come on baby, let's dance To the rock 'n' roll band Let's go now Let me show you that I know how Come on baby, let's dance To the rock 'n' roll band Come on baby, let's dance To the rock 'n' roll band Let's go girl It's a beautiful place this world Come on baby, let's dance To the rock 'n' roll band Let's go now Let me show you that I know how Come on baby, let's dance To the rock 'n' roll band
