

Abby Dobson, Horses

If I told you a secret
Would you understand?
Could you promise that you'd keep it?
Keep it in your hand

I don't know
Where we go from here

We keep spinning round in circles
Are we going nowhere?
I can't see the future
Are we already there?

I wanna laugh like I used to
Cry like I could with you
I don't know where
We go from here

Come lay down beside me
And I'll tell you a story
Lay your head upon your pillow
Look outside your window
I'll be the stars
I'll be the stars

We've had a lot of weather
You and me
Nothing is forever
The winds are calling me

You know I wanna know what peace is
But I pulled it all to pieces
Now we need all the king's horses

You know I wanna know what peace is
But I pulled it all to pieces
Now we need all the king's horses

Come lay down beside me
And I'll tell you a story
Lay your head upon your pillow
Look outside your window

If we're saying goodbye
I'll see you in the night sky
I'll be the stars
I'll be the stars
I'll be the stars, be the stars
