

# Abby Travis, Have I Got A Deal For You

I found a seed; I had an inclination  
Fettered by doubt; fraught with some reservation  
A voice that I thought I knew sayin'  
"Have I got a deal for you"  
He said that my life was just an imitation  
To all whom I live, I'm just an aggravation  
There's only one thing to do  
"Have I got a deal for you"

Manchmal kann ich nicht zwischen Berg und Hugel trennen,  
Oder all die Lugen von der Wahrheit nennen,  
Kann ich diesen Burgerkrieg verhindern, (so kalt und kuhl)  
Zwischen all dem was ich denk fuhl?

Under my door there came an invitation  
"Won't you attend your own assassination?"  
Then all at once I knew, just what I'd do  
"Have I got a deal for you"
