

ABC, All Of Your Heart

Once upon a time when we were friends
I gave you my heart. The story ends.
No happy ever after, now we're friends.
Wish upon a star if that might help
The stars collide if you decide
Wish upon a star if that might help
Well I hope and I pray
That maybe someday
You'll walk in the room with my heart
Add and subtract
But as a matter of fact
Now that you've gone I still want you back
Remembering
Surrendering
Remembering that part
All of my heart
Spilling up pink silk and coffee lace
You hook me up, I rendezvous at your place
Your lipstick and your lip gloss seals my fate
Sentimental powers might help you now
But skip the hearts and flowers, skip the ivory towers
You'll be disappointed and I'll lose a friend
No I won't be told there's a crock of gold
at the end of the rainbow
Or that pleasure and pain, sunshine and rain
Might make this love grow
Well I hope and I pray
That maybe someday
You'll walk in the room with my heart
Add and subtract
But as a matter of fact
Now that you've gone I still want you back
Remembering
Surrendering
Remembering that part
All of my heart
Yes I hope and I pray
That maybe someday
You'll walk in the room with my heart
And I'll shrug and I'll say
Then maybe today
You'll come home soon
Remembering
Surrendering
Remembering that part
All of my heart
