

# ABC, Fear Of The World

There's so much panic in this world  
But we are living in the best  
Of all possible worlds

Fear of the world  
No fear, no fear of the world

Deep inside of me  
Well I got this wanderlust  
Remember how we talked last night?  
Well it's just as we discussed  
Ashes turn to ashes  
Cash turns to dust  
There's no-one in this world right now  
You think you can trust

No real bruises I can show  
Travelling the world on the radio  
No real scars I can display  
Burning up tomorrow into yesterday

Fear of the world  
No fear, no fear of the world

Deep inside of me  
In the seat of my pants  
There's a pain as big and hard  
As a civil disturbance  
Conquer all your fears  
Seize every chance  
In the end make fear your friend  
And change your circumstance

No real bruises I can show  
Travelling the world on the radio  
No real scars I can display  
Burning up tomorrow into yesterday

Fear of the world  
No fear, no fear of the world  
Fear of the world  
No fear, no fear of the world
