

# ABC, Peace And Tranquility

My pride my joy  
My chance to taste happiness  
My girl my boy  
Take me to the place I love best  
All night I'll pray  
I'll sing it like a symphony  
Teach me each day  
Simple things in life are free

Be my, be my, be my  
Arc of divinity  
Be my, be my, be my  
Peace and tranquility

I find my smile  
With you another sinewy  
It drives me wild  
I'm thankful for the world you give me  
Much more than gold  
More than jewels in Tiffany's  
Once more I'm told  
Simple things in life are free

Be my, be my, be my  
Arc of divinity  
Be my, be my, be my  
Peace and tranquility  
Be my, be my, be my  
Peace in this world
