

# ABC, Vanity Kills

Have you heard the latest? (you love you)  
Have you seen who just walked in (vain vain vain vain)  
(Uh huh, you love you) Right over there  
She's so vain vain vain vain  
Vain vain vain vain

I'm glad you've found someone who loves you  
But sad to say that someone is you  
And now perhaps you'll both be happy  
Guess that makes two just you and you  
Someone who cares so much about you  
But does that someone have to be you  
Bom bom bom bom bom bom bom bom yeah  
Bom bom bom bom bom bom bom bom yeah

Vanity kills, it don't pay bills  
Vanity kills, you love you  
Vanity kills, it don't pay bills  
Vanity kills, it kills

So glad I found you glancing in the mirror  
Gazing deeply at love's patron saint  
Admire the frame, survey the scenery  
Or are you just inspecting the paint  
Temptation's strong modesty's so weak  
High on yourself humble you ain't  
Bom bom bom bom bom bom bom bom yeah  
Bom bom bom bom bom bom bom bom yeah

Vanity kills, it don't pay bills  
Vanity kills, you love you  
Vanity kills, it don't pay bills  
Vanity kills, you love you  
Vanity kills, it don't pay bills (no way)  
Vanity kills, you love you  
Vanity kills, it don't pay bills  
Vanity kills, it kills

So vain, vain vain vain  
You love you (yeah)  
Give it, give it us, give it us  
So vain, so vain, so vain

Vanity kills, it don't pay bills  
Vanity kills, you love you  
Vanity kills, it don't pay bills  
Vanity kills, you love you  
Vanity kills, it don't pay bills  
Vanity kills, you love you

Vanity kills, if the blast don't get you  
Then the fallout will

You love you
