

# Abducted, I Just Wanna Stand Next To You

i see you walking down the street  
i dunno what to say  
you break my heart when you look away  
i know you can't help it you look so good  
but you cant get involved with a common street hood  
your friends make fun of me thats just my luck  
all i am to them's some low rent punk  
i see you coming & i start to shake  
yeah i've fallen for you and that's no mistake  
you're breaking my heart & you know its true  
i never thought i'd feel this blue  
cause i'll never stand next to you  
i see you walking with your new boyfriend  
i wanna kill him i cant pretend  
i see him walking with his arm around you  
yeah he's gonna die that much is true
