

Abducted, You're A Slug

I think I was supposed to care
when I found out you hated me
but I didn't cause you're not worth anything
and you don't understand
how much I hate you
how I wanna kill you
every time I see you you make me wanna puke
and you don't understand
i'm gonna step on you cause you're a slug
i'm gonna step on you cause you're so dumb
i'm gonna step on you cause i've had enough
i'm gonna step on you cause you're a slug
you're so ugly
when I see you I wanna hide
your head is so empty I know that there's nothing inside
and you don't understand everybody hates you
cause you're so annoying you f*cking moron
it's so obvious to me
and you don't understand
