

# Abdul Paula, Ain't Never Gonna Give You Up

Abdul Paula  
Head Over Hills  
Ain't Never Gonna Give You Up  
Well there's not a bit of truth in what you hear  
Just a whole lot of jealousy out there smearin'  
My good name all over the place  
Just to get you thinkin' that I'm -- two faced

But I would never go south  
I was never dreamin' of anybody else  
You're the only one I'd ever be with  
I got a whole lot to say but babe the truth is

Ain't never gonna give you up  
Ain't never gonna let you down babe  
Ain't never gonna give you up  
Hey hey hey hey  
Yea yea yea  
Ain't never gonna give you up  
Yea yea yea  
Ain't never gonna let you down

I wanna be right there for you so don't  
Believe another word cause all of these low -- girls  
Only wanna put the split between us  
They keep getting off on all -- the fuss

But I will always treat you  
Just the way I always promised I'd do  
You're the only one I'd ever be with  
I got a whole lot to say but babe the truth is

[Chorus]

Baby don't you know that I want to be with you

[Chorus]
