Just One More Chance

Just one more chance.

To prove its you alone I care for,

Each night I say a little prayer for,

Just one more chance.

Just one more night

To taste the kisses thay enchant me,

I want no others, If youd grant me,

Just one more chance.

Ive learned the meaning of repentance;

Now youre the jury at my trial.

I know that I should serve my sentence;

Still Im hoping all the while youll give me

Just one more word.

I said that I was gladto start out;

But now I,m back to cry my heart out

For just one more chance.
