

# Abe Vigoda, Wild Heart

Where is the reason?  
Well, don't blame it on me  
Blame it on my wild heart  
Where is the reason?  
Well, don't blame it on me  
Blame it on my wild heart  
I love you I love you, I love you, I do  
Blame it on my wild heart  
And I'm leaving, leaving  
[Unverified], you don't know  
How to start, where to go, where did you go?  
How would you start, where you'd go, how would you start?  
I run around like a spirit in flight  
Fearlessness is fearlessness  
I will not forget this night  
Fearlessness is fearlessness  
Dare my wild heart, dare my wild heart  
And I'm leaving, leaving  
[Unverified], you don't know  
How to start, where to go, where would you go?  
How would you start, where you'd go, how would you start?  
Fire on fire, rain on my face  
Fever goes higher, rain on my face  
Fearlessness is fearlessness  
Dare my wild heart  
Fearlessness is fearlessness  
Dare my wild heart  
That's where I needed you  
Where I needed you most  
Where is the reason?  
Well, don't blame it on me  
Blame it on my wild heart  
Where is the reason?  
Well, don't blame it on me  
Blame it on my wild heart  
But where is the reason?  
Well, don't blame it on me  
Blame it on my wild heart  
Fearlessness is fearlessness, dare my wild heart  
Fearlessness is fearlessness, dare my wild heart  
Fearlessness is fearlessness, dare my wild heart
