

Aberfeldy, All True Trendies

Today I let the bad guy win
It's a thing that just keeps happening
You never thought I'd stoop so low
But there are things that you don't know

What can it be
This feeling coming over me
How can I find
A way to get it off my mind

Well yesterday was such a pain
Tomorrow'll be the same again
I don't want to see my friends
I don't want to make ammends

Don't let it be
That this could be the end of me
It's not coming true
That dream I kept alive for you

When all true trendies know my name
Why would I feel ashamed?

Well we could take this town tonight
But I doubt it would be worth the fight
So all true trendies sail with me
Leave your home and families

Well do it now yeah
Well do it now woah
When all true trendies know my name
Why would I feel ashamed?
