

# Abigor, Eye To Eye At Armageddon

Unable to save the world  
But able to suffer in this so-called heaven  
Your grotesque vision of pure holyness  
Will be suffocated like you - bearer of light  
Cry bearer of light  
To weak to fight  
Your fear - Your death  
Eye to Eye at Armageddon

You say god is strong  
You say god is eternal  
I say this are lies

Unable to save the world  
But able to suffer in this so-called heaven  
Your grotesque vision of pure holyness  
Will be suffocated like you  
Cry bearer of light  
To weak to fight  
But we meet again - Eye to Eye  
Victory at Armageddon
