

Abingdon Boys School, Darker than Black op

A night sky full of cries

Hearts filled with lies

The contract...

Is it worth the price?

A soul pledged to the darkness

Now I've lost it

I know I can kill

The truth exists beyond the gates

fusagareta mabuta kara afuredashita namida

kurikaeshi mushibamareru netsuai to chi no kakeraa

Don't worry I need to any more

I know he don't it ask for

karameta futatsu no mune no sukima de

hoshigaru dake no kawaita kono karada ga

kegareta yubisaki de yoru wo sosogikonde

chikireru made kimi wo kojiakete

asai nemuri no naka hagareta omoi ga kishimu

nanimokamo ima wa subete keshisaretara

Soul will rise. Close your eyes.

Downfallen, fallen , fallen.

Cold inside.

Just howling in the shadows.

taemanaku furishikiru ame ni utarenagara

shigamitsuku sono senaka ni fukaku tsume wo tate'ta

Don't need anything any more.

I know she'd only ask it for.

dareka no fureta yume no tsudzuki wo

saegiru you ni tozashite ita kokoro ga

kegareta yubisaki de nando mo dakishiatte

atemonaku kimi wo teguriyosete

awai kioku ga mata nokoshita itami ni nijimu

te ni ireta mono ga subete ayamachi demo

ushinaiu tabi ni mezamete iku chikara de

kegareta kono tsubasa ga yoru wo sosogikonde

chikireru made kimi wo kojiakete

asai nemuri no naka hagareta omoi ga kishimu

nanimokamo ima wa subete kishisaretara

Soul will rise. Close your eyes.

Downfallen, fallen, fallen.

Cold inside. See inside.

I'm calling.

They can fight , night by night.

Downfallen, fallen, fallen.

Cold inside

Just howling in the shadows.
