

Abingdon Boys School, Innocent Sorrow

PAIN In the dark

Don't cry
Oh
Never Until the end

Close to the light

Oh
Ever and never end
So far away

{{ruby|}}

Don't cry
Oh

Ever and never end

Break down! Right now! Do it all! I test you to just do it all!
Let it all out! Pump it up!
Inside, outside... Freak out!

From this gaping wound in my chest flows pain in the dark
Dissolving the love that binds each instant together

Thrashing with a fever from which I cannot awake,
I can't even hear the last voice

Don't cry, when I held you tight enough to break
You trembled, oh...
Softly touch my upraised palms, never...until the end

Fragile wishes like the sand that spills over, close to the light
Your face is closed, blurred by the tears that never dry up

My prayers pierce deeply through the cracks of my fingers

Don't cry, how much endless pain and sorrow
Could I have saved you from? Oh...
Touch me harder with your hands, ever and never end
Release it, so far away

With these wings of life, I long for the time of rebirth

Don't cry, when I held you tight enough to break
You trembled, oh...
Softly touch my upraised palms

I've been searching for an unfading miracle called you
Touch me harder with your hands, ever and never end

Break down! Right now! Do it all! I test you to just do it all!
Let it all out! Pump it up!
Inside, outside... Freak out!

La douleur coule travers les blessures de mon coeur bless PAIN, IN THE DARK
Les sentiments se connectent jusqu'au moment o nous sommes ensemble puis se dissolvent.

Avoir un cauchemar avec une passion non-veille, je ne peux pas entendre la voix qui vient la fin

DON'T CRY, quand je t'ai serr si fort que tu aurais pu briser,
Tu as frissonn, oh...
Touche-moi doucement de tes paumes leves, montre-moi, NEVER.... UNTIL THE END

Comme le sable tombant, mes rves flottant sont CLOSE TO THE LIGHT
Mes larmes ne schant pas sont imbibes des vestiges de toi, si loin

Une prire transperce profondment entre mes doigts

Combien de fois m'as-tu sauv
d'une douleur et d'une tristesse sans fin? Oh...
Touche-moi plus fort de tes paumes, montre moi, EVER AND NEVER END
Tu drives SO FAR AWAY

Avec mes ailes coupes de la vie, j'espre le jour o je renaitrai

DON'T CRY, quand je t'ai serr si fort que tu aurais pu briser,
Tu as frissonn, oh...
Touche-moi doucement de tes paumes leves, montre-moi,

J'ai recherch pour un miracle ne se fadant jamais et appel "toi"
Touche-moi plus fort de tes paumes, montre moi, EVER AND NEVER END

BREAK DOWN! RIGHT NOW! DO IT ALL! I TEST YOU TO JUST DO IT ALL!
LET IT ALL OUT! PUMP IT UP!
INSIDE, OUTSIDE... FREAK OUT!
