

# ABK, Down Here

[Anybody Killa]

How ya doin'? It's me again!

Underneath the concrete

Sewage of the underworld, where the fuckin' dead sleep

Creepin' and crawlin' with the stench of a rat

Hear me when I'm comin' but ya don't know where I'm at

Never seen in the daylight, only in the nighttime

Huntin' for me something that can increase my lifeline

I see it all, dead bodies and such

Ghetto gators goin' crazy when they haven't had they lunch

The more I kill, the bigger they get

It's like two Hannibal cannibals and one biscuit

Who's to blame that my parents hated me

And put me in the sewer cause they knew I couldn't reach

Seems like I was there for years

Before I grew a little bigger and I gave em both a scare

Now I'm addicted to payin' people back

Sittin' underneath the sewer caps

and waitin' for you to pass

[Chorus]

Down here

There ain't no light,

Might not be alright

Down here

In these sewers and pipes

It's always night

Down here

There's no sunlight I'm feelin'

Down here

Ya have to crawl and find it all appealin'

Appealin'

[Violent J]

Sometimes the tunnels get so small

I have to army crawl

My way through

Can you relate to that?

I can see up ladies skirts

on their way to work

Just for a second

I see they booty and neder

Tell 'em Killa

[Anybody Killa]

Come and visit us I know it's somewhere that you wanna be

Gettin' dirty life of no luxury

Even though this road is so swervy

This place is still home to me

[Chorus]

Down here

There ain't no light,

Might not be alright

Down here

In these sewers and pipes

It's always night

Down here

There's no sunlight I'm feelin'

Down here

Ya have to crawl and find it all appealin'

Appealin'

[Violent J]

It's always nighttime

In the pipelines

I sit in the sewage waistdeep and write rhymes

I know these sewers

And which ones are the newest

And which ones be some underground transit movers  
We like Swamp Thing, down here, damn near  
They throw homeless people in, stab 'em,  
cook 'em right there  
I can dive, roll, somersault, tunnel crawl, spring  
I been bitten by so many fuckin' rats it ain't a thing  
I love this, I crawl through your housepipes  
I'm hiding in your shower nozzle pissin' on your wife  
People down here are hungry, they eat muthafuckas  
Everybody's alone, they always eatin' each other  
I came crawlin' out the toilet, into somebody's john  
I walked out and the family started screamin', it was on  
I ran for the fridge and grabbed everything I could  
And then dove in through the kitchen sink  
and back to tha hood  
I met a hooker down here, ya think they bad up there  
This bitch ain't even have a neder left anywhere  
Just a big hole with nothing in the middle  
Her ugly ass titties had a rat hangin' and chewin'  
off of each nipple  
Runnin' through the dark maze, I know my way  
I know no days, only glowing rays  
Beaming through the sewer hole lids of the streets  
Certain parts, but them parts certainly ain't for me  
[Chorus]  
Down here  
There ain't no light,  
Might not be alright  
Down here  
In these sewers and pipes  
It's always night  
Down here  
There's no sunlight I'm feelin'  
Down here  
Ya have to crawl and find it all appealin'  
Appealin'  
[Repeat 4x]  
There's no sunlight  
There's no sunlight  
Down Here
