

# Abney Park, Death Of The Hero

"&quot;You fool, I'm not trying to kill you! I'm trying to save you!&quot;"

It was overnight, wet and misty,  
Waiting for a noble deed.  
Inside, a lady in distress  
[???] to die with a tear in her dress.  
A villain with a wicked plan  
[???] hands.  
Look down, stopping dead in the road  
[???] he was told.

And there were prisoners, being murdered and [??]  
By an evil man in a big black cape.  
Longing for evil plans  
Where people are killed in faraway lands.  
[??] for all kingdoms  
Gonna need some help to get this done  
Get back, put his disc on the sun  
That wouldn't [??] to be [??].

Death of all flags,  
This is the death of a man.  
This is the death of humanity,  
Death of tragedy.  
Things are wrong,  
He's long gone.  
This is the death of humanity,  
Death of tragedy.
