

# Abney Park, Rebirth

Spare my life,  
I'm another reborn  
Another year of strife,  
Another child of scorn  
Spare my life,  
I'm another reborn  
Another year of strife,  
Another child of scorn  
My only sin  
Was not to give my soul to you  
How could you  
Ask me to give up my only proven truth  
I'm alive again  
I'm alive again  
I'm alive again  
I'm alive again  
Spare my life,  
I'm another reborn  
Another year of strife,  
Another child of scorn  
My only sin  
Was not to give my soul to you  
How could you  
Ask me to give up my only proven truth  
I'm alive again  
I'm alive again  
I'm alive again  
I'm alive again  
Spare my life,  
I'm another reborn  
Another year of strife,  
Another child of scorn
