

Abney Park, Rebirth

Spare my life,
I'm another reborn
Another year of strife,
Another child of scorn
Spare my life,
I'm another reborn
Another year of strife,
Another child of scorn
My only sin
Was not to give my soul to you
How could you
Ask me to give up my only proven truth
I'm alive again
I'm alive again
I'm alive again
I'm alive again
Spare my life,
I'm another reborn
Another year of strife,
Another child of scorn
My only sin
Was not to give my soul to you
How could you
Ask me to give up my only proven truth
I'm alive again
I'm alive again
I'm alive again
I'm alive again
Spare my life,
I'm another reborn
Another year of strife,
Another child of scorn
