## Abney Park, Transcendence

I breached from darkness I saw the day And I'm awake Held down by darkness I found a way To transcend my fate I took a step toward the light of day I took a step toward the light of day Is it my destiny to transcend my fate? Is it my destiny to transcend my fate? I've fled the darkness A broken phase Torn a part by fate I fucking hate this Self-serving cage Of artificial rage I have left them all to their masquerade I have left them all to their masquerade Is it my destiny to transcend my fate? Is it my destiny to transcend my fate? I have breached the darkness Held back by darkness I'm awake
