## Aborted, The Foul Nucleus Of Resurrection

Partaking studies of what death was supposed to be Irreversible - chemical reality Revive the dead into a haze of gore and guts Incessant miscreants, to chew on those I abhor The Nucleus of resurrection Enthral the dead in my collection... Of masticated rot The nucleus of resurrection One with the dead Conclude the formula to erase the final barrier Raise the stiffs, kill the living Contagious levels sullied my virtuous claim Irresponsible - morgue set ablaze The nucleus of resurrection Legions of parasites incubated Voracios war, set to the fore Appalling butchery, the animate exhale no more Partaking studies of what death was supposed to be

Irreversible - chemical reality
Revive the dead into a haze of gore and guts
Incessant miscreants, to chew on those I abhor
The Nucleus of resurrection

Enthral the dead in my collection.... Voracious war, set to the fore

Appalling butchery, the animate exhale no more
