A Peak You Reach  
Song: Badly Drawn Boy

No sign of life, pulsing through these aging veins  
I bet it's your age that's easier for you to say  
Forcing answers into questions  
And worrying that you might stop breathing

On and on we sift through alphabets of life  
That never get us anywhere, anyway  
I'd like you to feel we have the best intentions  
And I want you to know that I know it's not easy

I want you to know that I know it's not easy

Easy  
Easy

Then there's a peak you reach

I'll tell somebody that's never even there  
Somebody that you may hope that they might care  
From nearby health, or distant wealthfare  
I'm pleased to hear that your warm, 'cause I'm freezing

Yeah I'm freezing  
Cooool

I don't wanna be alone, is that out of the question  
I'd like a happy home, is that too obvious  
Quit being pushed around, stand on my feet  
And kick all these losers out of my street

I've been losing confidence in the heat  
Just when I'm feeling the strength I get weak x2

\*Do Be DOOOOOOO\*

Then there's a peak you reach

I'll tell somebody  
A peak you reach  
That's never even there  
A peak you reach  
I'd like you to feel we've reached our peak

Peak you reach

\*Do Be Doooo\*
