

# Above And Beyond, Alone Tonight

Fade away just like our love had died  
And there is nowhere in this universe to hide...from you tonight  
I've wrestled with angels...all my life  
It's always the halos and the wings that keep you blind  
And if I fall with all the strength I held inside  
I wouldn't be out here alone tonight  
I wouldn't be standing alone tonight  
I wouldn't be standing alone tonight

Whooooooooo

Whooooooooo

Alone tonight just like the western star, I'm sinking  
The angels curse me blind with straight and crooked thinking  
Alone tonight just like the western star, I'm sinking  
The angels curse me blind with straight and crooked thinking  
Slipping sideways, silverstars collide  
Fade away just like our love had died  
And there is nowhere in this universe to hide... from you tonight

Whooooooooo

Whooooooooo

Alone tonight just like the western star, I'm sinking  
The angels curse me blind with straight and crooked thinking  
Alone tonight just like the western star, I'm sinking  
The angels curse me blind with straight and crooked thinking

Whooooooooo

And if I fall with all the strength I held inside  
I wouldn't be out here alone tonight
