Above And Beyond, Alone Tonight

Fade away just like our love had died

And there is nowhere in this universe to hide...from you tonight

I've wrestled with angels...all my life

It's always the halos and the wings that keep you blind

And if I fall with all the strength I held inside

I wouldn't be out here alone tonight

I wouldn't be standing alone tonight

I wouldn't be standing alone tonight

Whooooooo

Whooooooo

Alone tonight just like the western star, I'm sinking

The angels curse me blind with straight and crooked thinking

Alone tonight just like the western star, I'm sinking

The angels curse me blind with straight and crooked thinking

Slipping sideway, silverstars collide

Fade away just like our love had died

And there is nowhere in this universe to hide... from you tonight

Whooooooo

Whooooooo

Alone tonight just like the western star, I'm sinking

The angels curse me blind with straight and crooked thinking

Alone tonight just like the western star, I'm sinking

The angels curse me blind with straight and crooked thinking

Whooooooo

And if I fall with all the strength I held inside

I wouldn't be out here alone tonight
