

Above & Beyond, Alone Tonight

Fade away just like our love had died
And there is nowhere in this universe to hide...from you tonight
I've wrestled with angels...all my life
It's always the halos and the wings that keep you blind
And if I fall with all the strength I held inside
I wouldn't be out here alone tonight
I wouldn't be standing alone tonight
I wouldn't be standing alone tonight
I wouldn't be standing alone tonight
I wouldn't be standing alone tonight

Whooooooooo

Alone tonight just like the western star, I'm sinking.
The angels curse me blind with straight and crooked thinking
Alone tonight just like the western star, I'm sinking.
The angels curse me blind with straight and crooked thinking

Fade away just like our love had died
And there is nowhere in this universe to hide...from you tonight
I've wrestled with angels...all my life
It's always the halos and the wings that keep you blind
And if I fall with all the strength I held inside
I wouldn't be out here alone tonight

Whooooooooo

Alone tonight just like the western star, I'm sinking.
The angels curse me blind with straight and crooked thinking
Alone tonight just like the western star, I'm sinking.
The angels curse me blind with straight and crooked thinking

Whooooooooo

And if I fall with all the strength I held inside
I wouldn't be out here alone tonight
