

Above & Beyond, Blue Sky Action (Feat. Alex Vargas)

I get tired of life
What a world I'm living in
Now I've got it all
I've had enough
I'm giving in

The sun is shining
Melting the clouds away
Got we some Blue Sky Action!
I'm breathing today
I know I'm burning
This is my Final Day!
I'm going to go out smiling
A king for a day

Stuck in this toxic town
It really takes my breath away
It's either leave or drown
I'm on a Blue Sky Action!

The sun is shining
Melting the clouds away
Got we some Blue Sky Action!
I'm breathing today
I know I'm burning
This is my Final Day!
I'm going to go out smiling
A king for a day
