

# Above & Beyond, No One On Earth (Above & Beyond's San Francisco Mix)

Down through the dark trees  
You came to save me  
You're so ugly and you're so beautiful  
You're like no one on earth could be  
All of my life I've been waiting  
For you  
I wanna be the one that you take home  
Let me be the one 'cause I'm so lonely  
Take me home, with you  
No one on earth knows me like you do  
Take me home  
In time you'll love me like one of your own  
So come on  
Take me home, with you  
No one on earth knows me like you do  
Take me home  
In time you'll love me like one of your own  
So come on  
Take, take me home  
With you  
No one on earth knows me like you do  
La, la, la, la  
Take me home  
No one on earth knows me like you do  
No one on earth knows me like you do, like you do
