

Above & Beyond, On A Good Day

Little bit lost and...
A little bit lonely
Little bit cold here
A little bit feared
But I hold on
And I
Feel strong
And I
Know that I can
Getting used to it
Lit the fuse to it
Like to know who I am
Been talking to myself forever, yeah
And how I wish I knew me better, yeah
Still sitting on a shelf and never
Never seen the sun shine brighter
And it feels like me
On a good day
And it feels like me
On a good day
I'm a little bit hemmed in
A little bit isolated
A little bit hopeful
A little bit cold
But I hold on
And I
Feel strong
And I
Know that I can
Getting used to it
Lit the fuse to it
Like to know who I am
Been talking to myself forever, yeah
And how I wish I knew me better, yeah
Still sitting on a shelf and never
Never seen the sun shine brighter...
And it feels like me
On a good day
Been talking to myself forever, yeah
And how I wish I knew me better, yeah
Still sitting on a shelf and never
Never seen the sun shine brighter
And it feels like me
On a good day x2
