

# Abra Moore, Four Leaf Clover

He's got the best of me.  
It's such a price to pay.  
He's got the best of me.

See, I have been thinking it over.  
It's all just a little too much.  
You see I have got a four-leaf clover.  
It's gotta bring a little luck.  
Yeah, uh huh  
Yeah, uh huh

So I let go of all of the big deals.  
I let go of the bitter dream.  
You see the girl in the pretty white picture.  
Well it's never what it really seems.  
Yeah, Oh,  
uh huh  
Yeah, uh huh

My mind is always racing,  
And my body's on overload.  
You've got my heart in the middle of a feeling.  
I've got no place to go.  
Yeah, Oh  
uh huh

See, I've been thinking it over  
It's all just a little too much  
You see I've got a four-leaf clover  
It's gotta bring a little luck

I'm running but I've got nowhere to be.  
But I'm all right

Said I'm running, but it's got the best of me,  
But it's all right.

Cause see, I've been thinking it over.  
It's all just a little too much.  
You see I've got a four-leaf clover.  
It's gotta bring a little luck.

Yeah

Said I've been thinking it over.  
Yeah  
It's all just a little too much.  
Yeah  
You see I've got a four-leaf clover.  
Yeah  
It's gotta bring a little luck.  
Yeah

Said, I've been thinking it over.  
It's all just a little too much.  
Said I've got a four leaf clover.  
It's gotta bring a little luck.
