

Abra Moore, Four Leaf Clover (Live)

It's got the best of me
It's such a price to pay
It's got the best of me
See, I've been thinking it over
And it's all just a little too much
You see, I've got a four leaf clover
It's gotta bring a little luck
Yeah, uh, huh, yeah, uh, huh
So, I let go of all of the big deals
I let go of the bitter dream
You see the girl in the pretty white picture
Well, it's never what it really seems
Yeah, uh, huh, yeah, uh, huh
And my mind is always racing
And my body's on overload
But you've got my heart in the middle of a feeling
I've got no place to go
Yeah, uh, huh
You see, I've been thinking it over
It's all just a little too much
You see I've got a four leaf clover
It's gotta bring a little luck
Said, I'm running
But I've got nowhere to be
But I'm alright, I'm alright, yeah
Said, I'm running
But it's got the best of me
But it's alright, it's alright
'Cause see, I've been thinking it over
It's all just a little too much
'Cause see I've got a four leaf clover
It's gotta bring a little luck
Said, I've been thinking it over
It's all just a little too much
You see, I've got a four leaf clover
It's gotta bring a little luck
Said, I've been thinking it over
It's all just a little bit, little bit, little too much
Got a four leaf clover
It's gotta bring a little luck
