

# Abrasive Wheels, When The Punks Go Marching

Oh when the punks go marching in, oh when the punks go marching in  
I wanna be in that number when the punks go marching in.

Oh when the skins go marching in, oh when the skins go marching in  
I wanna be in that number when the skins go marching in.

Oh when the pigs go marching in, oh when the pigs go marching in  
I wanna be in that meat van when the pigs go marching in.

Oh when the wheels go marching in, oh when the wheels go marching in  
I wanna be in that number when the wheels go marching in.
